PTM (Parents Tacher Meeting)

Strength: 52

Attended: 12

Class: Class-4

Time: 9:00 AM to 11:00 AM

Date: 16-8-2025

1. Introduction

The Parent-Teacher Meeting (PTM) for Class 4 was conducted to discuss students' academic performance and overall progress. The session aimed to create a collaborative environment where parents and teachers could exchange feedback regarding students' learning and development.

2. Objectives

- To update parents about students' academic progress.
 - To highlight areas of strength and improvement for each child.
 - To inform Parets about First Assessments
 - To strengthen the partnership between parents and teachers for better student growth.
-

3. Agenda Highlights

The PTM discussion covered the following points:

- Assessment Review: Detailed discussion on students' performance in assessment papers.
 - Progress Update: Highlighting individual strengths and areas where improvement is needed.
 - Parental Support: Encouraging parents to provide guidance at home.
 - Future Goals: Setting short-term and long-term targets for students' academic and behavioral development.
-

4. Review & Feedback

- Parents actively participated and shared their concerns and suggestions.
 - Teachers provided constructive feedback on each child's progress.
 - Most parents appreciated the clarity of assessment feedback and assured full cooperation for improvement.
-

5. Conclusion

The PTM for Class 4 was successfully conducted, ensuring open communication between parents and teachers. The meeting reinforced the importance of collaboration for students' academic excellence and overall personality development.
