Welcome Back to School

Introduction

After the summer vacation, our school organized a special activity titled “**Welcome Back to School**” on the first day of reopening. The purpose of this activity was to warmly welcome students, refresh their enthusiasm, and create a positive learning environment for the new academic session.

Opening of the Activity

The day began with a cheerful reception for students at the school gate, where teachers greeted them with smiles and good wishes. The classrooms were decorated with balloons, colorful charts, and motivational quotes to make the environment lively and welcoming.

Student Participation

Different fun-filled activities were arranged for the students, such as:

- **Ice-breaking games** to help students reconnect with their classmates
- **Drawing and writing activities** on the theme “My Summer Holidays”
- **Short speeches and sharing sessions** where students expressed their excitement about returning to school

Teachers’ Role

Teachers motivated the students with encouraging words, reminding them of the importance of discipline, teamwork, and dedication for the upcoming term. They also shared tips for effective study habits and time management.

Conclusion

The “Welcome Back to School” activity ended with great joy and positive energy. It not only made students feel happy and confident but also strengthened their bond with teachers and peers. The activity proved to be a wonderful start to the new academic year.
