Ms. Tasneem
ECE Class Teacher
Govt. High School (SJCHS)

Subject: Warning Letter for Unapproved Leaves and Classroom Behavior

Dear Ms. Tasneem,

We are writing this letter to let you know that the management is concerned about your recent conduct during your probation period.

It has been noticed that you have taken many days off without giving any written application or informing the administration.

Along with this, there have also been complaints about your behavior in the classroom. It does not reflect the professional attitude we expect from our teachers. Overall, your performance and commitment to your job have not been satisfactory.

This letter is a warning and a final reminder. Please take this seriously. We expect you to improve your attendance, follow leave procedures properly, and show more dedication to your work.

If these issues are not improved immediately, the school may have to take further action, which could include ending your employment.

We hope to see a positive change moving forward.

Sincerely,

Syeda Samiya Kazmi
Co-Ordinator
Govt. High School (SJCHS)
