Subject: Second Warning – Unapproved Leaves and Unprofessional Conduct

Dear Ms. Tasneem,

This letter is being issued as a **second warning** regarding your continued unapproved absences and unprofessional behavior, despite the first warning issued on **29-05-2025**.

It has been observed that you have **not made the required improvements** in your attendance and conduct. You continue to take leave without proper approval or prior intimation to the administration. Additionally, complaints regarding your classroom behavior and lack of professionalism have been received again.

Such actions reflect a lack of responsibility and commitment to your duties as a teacher. The school expects all staff members to maintain punctuality, follow leave procedures strictly, and demonstrate a respectful and positive attitude in the classroom.

Please consider this as your **second and serious warning**. You are required to show **immediate and consistent improvement** in your attendance, behavior, and performance. If these issues persist, the management will be compelled to take **disciplinary action**, which may include suspension or termination of employment.

We sincerely hope you take this warning seriously and make the necessary improvements moving forward.

Sincerely,

Syeda Samiya Kazmi

Co-Ordinator

Govt. High School (SJCHS)
