Subject: Third and Final Warning – Misconduct and Disrespectful Behavior

Dear Ms. Tasneem,

This letter serves as your **third and final warning** regarding your repeated misconduct, unapproved absences, and most recently, your **disrespectful behavior towards staff members and the school coordinator**.

Despite two previous written warnings dated **29-05-2025** and **10-09-2025**, there has been **no improvement** in your attitude, professionalism, or commitment to your duties. It has been reported that you behaved inappropriately with your colleagues and **showed disrespect towards the Coordinator**, refusing to follow instructions and acting in a manner unbecoming of a teacher.

Such conduct is **completely unacceptable** in an educational institution and reflects a serious violation of the school's professional and ethical standards.

You are hereby instructed to **immediately correct your behavior** and maintain discipline, respect, and cooperation with all staff members and administrative authorities. **Any further instance of misconduct or disobedience will result in strict disciplinary action, including possible termination of your employment without further notice.**

We sincerely hope you take this final warning seriously and demonstrate professionalism and improvement henceforth.

Sincerely,
Syeda Samiya Kazmi
Co-Ordinator
Govt. High School (SJCHS)
