Subject: Request for Payment Release Despite Missing Bills for Audit Refreshments and Decorations

Dear Sir/Madam,

With due respect, I wish to inform you that during the recent school audit, expenses were incurred for the refreshments and decorations provided to the visiting audit team. Unfortunately, some of the receipts and bills related to these expenses have been misplaced due to an oversight.

We sincerely apologize for this lapse. Despite our best efforts to locate the missing bills, we have been unable to recover them. However, we assure you that the expenses were necessary and properly utilized for the audit visit. We kindly request you to consider the situation and release the payment based on the available records and our assurance of proper expenditure.

We are committed to improving our record-keeping procedures to prevent such occurrences in the future. Your understanding and support in this matter would be highly appreciated.

Thanking you in anticipation.

Yours sincerely,

Syeda Samiya Kazmi
