

To,

The CEO,

Sindh Madarsa Tul Islam Board.

Respected Sir,

I hope this message finds you in good health and high spirits. I am writing to bring to your attention a significant issue I am facing while performing my duties, specifically related to data gathering and management.

Currently, I am encountering frequent problems with data corruption, which is causing delays and inefficiencies in my work. The existing system I am using is unreliable, and the repeated loss of data is not only time-consuming but also hampers the quality and accuracy of the tasks I am responsible for.

To resolve this issue and ensure smooth and efficient data management, I kindly request the provision of a laptop. A reliable device will enable me to work more effectively, minimize data loss, and contribute more productively to the goals of Sindh Madressatul Islam.

I assure you that this resource will be utilized responsibly and solely for official purposes. Your support in this matter will greatly enhance my ability to perform my duties efficiently.

Thank you for your understanding and consideration. I look forward to your positive response.

Warm regards,

Syeda Samiya Kazmi

Co-Ordinator
