Subject: Warning Letter

Dear Miss Uzma,

This letter serves as a formal warning from the school administration. It has come to our attention that your performance and behavior during your probationary period of one month have not met our expectations.

1. Leave Policy:

According to our school rules, no teacher is allowed to take leave during the first three months of employment. However, you have taken leave without valid justification, which is unacceptable.

2. Behavior with Students:

It has also been observed that your behavior with the students has not been appropriate, which is affecting their learning and the overall school environment.

This is your first warning. If there is no improvement in your behavior or adherence to school policies in the future, disciplinary action will be taken against you.

We expect you to immediately take this matter seriously and comply with the rules and regulations of the school.

Thank you,
Samiya Kazmi
GBPS, Sindhi Jamaat Society.
