

Govt. High School

Sindhi Jamaat Co-Operative Housing Society, Karachi

Earth Day Celebration

Time: 10:00 AM to 12:00 PM

Date: 22-4-2025

Venue: School Premises

1. Introduction

Govt. High School celebrated **Earth Day** on 22nd April 2025 with the aim of promoting environmental awareness, sustainability, and responsibility among students. The event encouraged students to recognize their role in protecting the environment and motivated them to adopt eco-friendly practices in daily life.

2. Objectives

- To raise awareness about environmental conservation and climate action.
- To educate students about the importance of protecting natural resources.
- To engage students in meaningful, hands-on activities focused on sustainability.
- To promote the value of trees, recycling, and waste reduction.

3. Activities Conducted

Activity	Description
Morning Assembly Talk	A special speech highlighting the significance of Earth Day and eco-responsibility.
Poster-Making Competition	Students created colorful posters with slogans and messages about saving Earth.
Plantation Drive	Tree saplings were planted by students and teachers within the school grounds.
Cleanliness Campaign	Class-wise cleaning activities were conducted to promote cleanliness and hygiene.
Pledge Ceremony	All students took an "Eco Pledge" to reduce plastic use and conserve energy.

4. Observations

- Students participated with great enthusiasm and creativity.
- The plantation activity generated excitement and a sense of ownership towards nature.
- Teachers appreciated the opportunity to integrate environmental education into practical activities.
- The cleanliness campaign boosted student responsibility toward their surroundings.

5. Conclusion

The Earth Day celebration was a meaningful and impactful event that succeeded in fostering environmental consciousness among students. The school aims to continue such initiatives regularly to instill lifelong habits of sustainability and respect for the planet.
