Subject: Request for Provision of LCD

Respected Sir,

I hope this letter finds you in the best of health and spirits.

I am writing to formally request the provision of an LCD for our school. As our Early Childhood (EC) class now has an enrollment of over 100 students, the need for an LCD has become essential. It will help create a modern learning environment and serve as a valuable tool for our teachers to enhance students' smart skills through interactive teaching methods. As you may recall, this matter was previously discussed during your last visit to our school, during which you kindly granted full permission and assured us that the LCD would be provided.

We truly appreciate your continued support and now humbly request that the LCD be provided at your earliest convenience, as it will greatly benefit both our students and teaching staff.

We look forward to your positive response and timely assistance in this regard.

Thank you for your continued support.

Sincerely,

Syeda Samiya Kazmi
