## 1. Introduction

An SMC (School Management Committee) meeting was held on 12th March 2025 to discuss various academic and administrative matters including SNE approvals, staffing requirements, and environmental initiatives. The committee focused on addressing critical needs for school improvement and expansion.

## 2. Meeting Agenda

- SNE (Sanctioned New Establishment) Approval
- Starting a Second Shift
- Requirement of Additional Teachers
- School Plantation Drive

## 3. Key Discussions

| Topic             | Summary                                                                               |
|-------------------|---------------------------------------------------------------------------------------|
| SNE Approval      | Discussed the urgency of follow-up with senior officials for pending approvals.       |
| Second Shift      | Considered the introduction of a second shift to accommodate rising student strength. |
| Teachers Required | Highlighted the need to recruit additional teaching staff to support both shifts.     |
| School Plantation | Proposed a plantation campaign within school premises to promote a green environment. |

## 4. Observations & Suggestions

- Immediate action is needed on staffing shortages before starting the second shift.
- Plantation drive to be planned with support from local organizations and student participation.
- A formal letter for SNE follow-up will be drafted and submitted to the concerned authorities.

## 5. Conclusion

The meeting concluded with a commitment to improving school infrastructure and ensuring sustainable growth. Clear responsibilities were assigned for follow-up actions, especially regarding staffing and environmental initiatives.
