

Govt. High School

Sindhi Jamaat Co-Operative Housing Society, Karachi SMC Meeting

Attendants: 8

Day: Wednesday

Date: 14-5-2025

Time: 11:30 AM

1. Introduction

A follow-up SMC meeting was held on 14th May 2025 to review progress on earlier decisions and discuss new emerging needs. The committee focused on operational challenges including the expansion of the second shift, book requirements, and SNE-related developments.

2. Meeting Agenda

- Second Shift Progress
- SNE Approval Status
- Requirement of New Textbooks from Government

3. Key Discussions

Topic	Summary
Second Shift	Reviewed current progress and logistic requirements for launching the second shift.
SNE Approval	Emphasized need for expedited processing to meet upcoming staffing needs.
New Textbooks Required	Highlighted shortage of government textbooks; proposal to request supply officially.

4. Observations & Suggestions

- The second shift plan is progressing but requires final staffing and facility approvals.
- A formal request for new textbooks will be prepared and submitted through the proper government channel.
- The committee agreed on consistent follow-ups with education officials for timely action.

5. Conclusion

The meeting concluded with a renewed commitment to addressing operational needs through structured planning and coordination with government bodies. Timely provision of textbooks and finalization of the second shift remain priority items for the upcoming months.
