1. Introduction

The 4th Orientation Session for the academic year 2025–2026 was conducted to welcome parents and brief them about the upcoming session for Early Childhood Education (ECE), Level-I, and Level-II. The orientation aimed to align school expectations with parental cooperation, ensuring a productive and collaborative academic environment for young learners.

2. Objective

- To inform parents about the academic and behavioral expectations for the new session.
 - To emphasize the importance of punctuality, hygiene, and healthy food habits.
 - To ensure parental awareness regarding school policies and vacation assignments.
 - To build a strong parent-teacher partnership for student development.
-

3. Agenda Highlights

The session covered the following key areas:

- **Punctuality:** Importance of arriving on time for better routine discipline.
 - **Course Guidelines:** Overview of academic activities and learning strategies.
 - **Cleanliness:** Encouraging hygiene at home and in school.
 - **Proper Food:** Promoting nutritious and balanced lunch habits.
 - **Uniform Policy:** Ensuring complete and tidy school uniform.
 - **Vacation Work:** Guidance for completing assigned holiday tasks.
-

4. Review & Feedback

- A total of **80 parents** attended the orientation.
- **94% of parents expressed satisfaction** with the school's academic standards and management.
- Many parents appreciated the clarity of communication and assured full collaboration with teachers in maintaining student discipline and academic growth.

5. Conclusion

The 4th Orientation Session was successfully conducted, achieving its purpose of building mutual understanding between the school and parents. The high attendance and positive feedback reflected the trust of parents in the school's mission. Continued engagement and cooperation from parents will greatly contribute to the success of the academic year ahead.
