To,

Mrs. Almas Mustafain
Trainer & Educationist

Subject: Heartfelt Thanks for Your Valuable Training Sessions

Respected Ma'am,

On behalf of the entire faculty and administration of **Govt High School (SJCHS)**, we extend our heartfelt gratitude to you for conducting such insightful and impactful training sessions with our teaching staff from **27th to 28th July 2025**.

Your sessions on *21st Century Pedagogical Perspectives* and *Early Childhood Education (ECE)* were extremely well-received by our teachers. They found your content not only relevant but also highly engaging and practical. The way you shared real classroom strategies and encouraged open discussions truly made a difference.

We have received excellent feedback from all participants. They particularly appreciated your professional approach, clarity of delivery, and the depth of knowledge you brought to the sessions. Many of our teachers mentioned feeling more confident and better equipped for modern teaching challenges after attending your training.

We are truly thankful for the time, effort, and energy you invested in our professional development. We look forward to more such sessions with you in the future.

Once again, thank you for your valuable contribution to our school.

With warm regards,

Syeda Samiya Kazmi
Coordinator
